## INVESTMENT PROPOSAL 49 (LAND PLOT)

General		
Name		Land plot
Total area (ha)		0,25
Location	Region	Minsk
	District	Krupski
	Locality	Yanovshchina village
Owner		Krupsky district
Form of ownership		state
Possible use		trade
Way of the land plot provision		lease
Cost (cadastral) (per ha) as of 1 January 2019 (BYN and USD)		6600 BYN / 3400 USD
Encumbrance of land plot/ building		Water protective zone
Transport connection		
	Distance from the facility (km)	Name
Main highway	44	M-1/E-30 Brest-Minsk-border of the Russian Federation
Highways of republican status	40	P19 Tolochin-Krupki
Airport	165	National Airport
Railway	46	Krupski township
Accessibility	Asphalt covering	
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Electric power supply	0,01 (0,4kW)	10 kW
Heating (heating networks)	–	Construction of a new heat source

Drinking water	0,3	2 cu m
Process water	–	–
Hot water supply	–	Construction of a new heat source
Wells	1,2	6,0 cu m/h
Drainage system	–	Construction of a new facility
Gas supply	20	High-pressure gas pipeline (Diameter of pipe 100 mm)
Regional center	165	Minsk
District center	40	Krupki
<b>Contact details</b>

## INVESTMENT PROPOSAL 50 (LAND PLOT)

General		
Name		Land plot
Total area (ha)		4,5
Location	Region	Minsk
	District	Krupski
	Locality	Bobr township
Owner		Krupsky district
Form of ownership		state
Possible use		industry
Way of the land plot provision		lease
Cost (cadastral) (per ha) as of 1 January 2019 (BYN and USD)		5400 BYN / 2700 USD
Encumbrance of land plot/ building		No
Transport connection		
	Distance from the facility (km)	Name
Main highway	12	M-1/E-30 Brest-Minsk-border of the Russian Federation
Highways of republican status	2	P19 Tolochin-Krupki
Airport	130	National Airport
Railway	Station in Bobr township (railway goes till the land plot border)	0,5 Bobr township
Accessibility	Asphalt covering	
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)

Electric power supply	1,1	OHL-10kW
Heating (heating networks)	–	Construction of a new heat source
Drinking water	–	Construction of a new facility
Hot water supply	–	Construction of a new heat source
Wells	–	Construction of a new facility
Drainage system	–	Construction of a new facility
Gas supply	3	High-pressure gas pipeline (Diameter of pipe 100 mm)
Regional center	130	Minsk
District center	8,0	Krupki
<b>Contact details</b>		
Contact person (position)	Kameko N. I., Deputy Chairman of Krupki Executive Committee	
Phone	8 01796 27540

## INVESTMENT PROPOSAL 52 (LAND PLOT)

General		
Name		Land plot
Total area (ha)		0,4786
Location	Region	Minsk
	District	Krupsky
	Locality	Krupki
	Address	7 Kommunalnaya St.
Owner		Krupsky district
Form of ownership		state
Possible use		industry
Way of the land plot provision		lease
Cost (cadastral) (per ha) as of 1 January 2019 (BYN and USD)		131100 BYN / 65900 USD
Encumbrance of land plot/ building		No
Transport connection		
	Distance from the facility (km)	Name
Main highway	1	M-1/E-30 Brest-Minsk-border of the Russian Federation
Highways of republican status	0,3	P19 Tolochin-Krupki
Airport	120	National Airport
Railway	6	Bobr township, Krupski township
Accessibility	Asphalt and gravel surface	
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Electric power supply	0,02	OHL-10kW

Heating (heating networks)	–	Construction of a new heat source
Drinking water	0,15	4 cu m/h
Process water	–	–
Hot water supply	–	Construction of a new heat source
Wells	1,0	130 cu m/h
Drainage system	–	Construction of a new facility
Gas supply	0,8	High-pressure gas pipeline (Diameter of pipe 89 mm)
Regional center	120	Minsk
District center	Within the town boundaries	
Other (including adjacent structures: industrial enterprises, raw materials base)	Private enterprise – woodworking, road construction enterprise

## INVESTMENT PROPOSAL 54 (REAL ESTATE FACILITY)

General		
Name		Complex of buildings and structures of the former military town No. 3
Area of the building premises (sq.m.)		Complex of buildings of the former military town No. 3 (24 buildings), total area 16641,3 sq.m.
Location	Region	Minsk
	District	Krupsky
	Locality	Krupki
	Address	Armeiskaya St. (former military town No. 3)
Asset holder (name)		Krupki District Communal Unitary Enterprise «Zhilteplostroy»
Form of ownership		state
Possible use		industry
Land plot area (ha)		68 ha lease period: 50 years
Ways of the real estate provision		lease sale
Cost of the facility as of 1 January 2019 (BYN and USD)		1000000 BYN, 500 000 USD
Facility specifications		
Year of construction		1954–1982 r.
Year of reconstruction		–
Number of storeys		one
Walls material		Brick, concrete, blocks, panels
Partitions		Yes
Interior finishing		No
Ventilation system		No
Lighting		Yes
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)

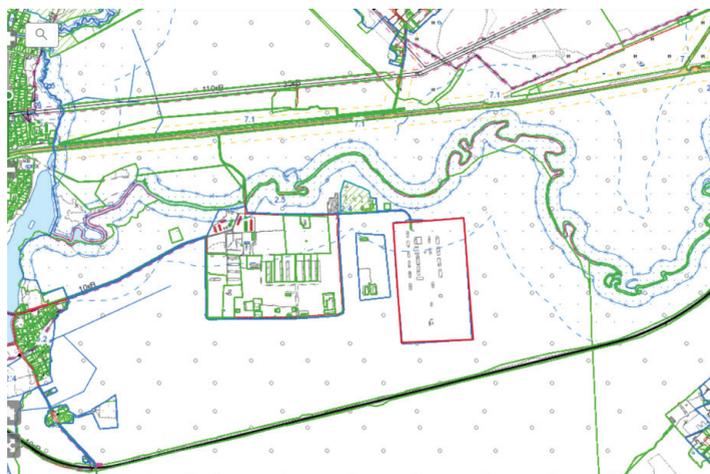

Electric power supply	On the land plot boundary	3rd category integrated transformer substation with the capacity of 0,25MW,
Electric power restrictions	voltage 10/0,4kW.	
Heating (heating networks)	2,0	Boiler house 6 MW
Drinking water	In the territory	–
Process water	–	–
Hot water supply	2,0	Boiler house 6 MW
Wells	1,0	25 cu m
Drainage system	0,5	Filtration fields, capacity 650 cu m per day
Gas supply	2,5	Possible connection, Diameter of pipe 89 mm., capacity 62610 cu m/h

### Transport connection

	Distance from the facility (km)	Name
Main highway	3,52	M-1/E-30 Brest-Minsk-border of the Russian Federation
Highways of republican status	1,5	P-19 Tolochin Krupki
Airport	130	Minsk
Railway	8	Krupski township, Krupki District
Accessibility	1,0	0,5 – Asphalt covering, 0,5 – gravel
Regional center	130	Minsk
District center	Within Krupki boudaries	
Other (including adjacent structures: industrial enterprises, raw materials base)	Private industrial enterprises – woodworking.

## INVESTMENT PROPOSAL 55 (REAL ESTATE FACILITY)

General		
Name		Incomplete not conserved capital structure 'Plant of Ceramics'
Area of the building premises (sq.m.)		11591,1
Location	Region	Minsk
	District	Krupsky
	Locality	Khudovtsy agrotown
Asset holder (name)		Krupki District Communal Unitary Enterprise «Zhilteplostroy»
Form of ownership		state
Possible use		industry
Land plot area (ha)	1,2573	lease period: 50 years
Ways of the real estate provision		lease, sale
Facility cost на 1.01.2019 (BYN and USD)		547200 BYN or 273000 USD
Facility specifications		
Year of construction		Incomplete construction
Year of reconstruction		–
Number of storeys		Два
Walls material		Brick, panel
Partitions		No
Interior finishing		No
Ventilation system		No
Lighting		No

Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Electric power supply	0,7	OHL-10-10kW
Electric power restrictions	No	
Heating (heating networks)	–	Construction of own heat source
Drinking water	2,0	4cu m/h
Process water	–	–
Hot water supply	–	Construction of own heat source
Wells	3,0	6 cu m/h
Drainage system	–	–
Gas supply	0.5	High-pressure gas pipeline d 150 mm
Transport connection		
	Distance from the facility (km)	Name
Main highway	12	M-1/E-30 Brest-Minsk-border of the Russian Federation
Highways of republican status	8	P-19 Tolochin – Krupki
Airport	130	Minsk
Railway	13–14 16–17	Krupski township, Krupki District Bobr township, Krupki District
Accessibility	1,0	0,5 – Asphalt covering, 0,5 – ground coating
Regional center	130	Minsk
District center	8	Krupki

## INVESTMENT PROPOSAL 56 (REAL ESTATE FACILITY)

4 cu m		
Name	'Nacha' Sanatorium	
Area of the building premises (sq.m.)	A complex of buildings of 'Nacha' Sanatorium. Main building – 4-storeyed with addition, total area 1857,9 sq.m., 1973 year of construction and 9 household buildings: 1-storey cold-storage building (29,3 sq.m., 1975 year of construction), deepened vegetable storehouse (49,3 sq.m., 1975 year of construction), 1-storey clubhouse with a cellar (241,3 sq.m., 1978 year of construction), hotel (52,8 sq.m., 1978 year of construction), bank (146,6 sq.m., 1975 year of construction), laundry (124,2 sq.m., 1973 year of construction), balneary (206,8 sq.m., 1973 year of construction), garage (151,4 sq.m., 1975 year of construction), deepened warehouse (sanctuary, 467,2 sq.m., 1995 year of construction).	
Location	Region	Minsk
	District	Krupsky
	Locality	Nacha agrotown
	Address	Sanatornaya St.
Asset holder (Name)	Department of Education, Sports and Tourism of Krupki District Executive Committee	
Form of ownership	state	
Possible use	services	
Land plot area (ha)	2,9812	lease period: 50 years
Ways of the real estate provision	lease sale	
Cost of the facility as of 1 January 2014 (BYN and USD)	745022,64 BYN (373 thd. USD)	

Facility specifications		
Year of construction	1973–1995	
Number of storeys	Main building is 4-storeyed, 9 one-storeyed buildings	
Walls material	Brick, cinder blocks	
Partitions	Yes	
Interior finishing	No	
Ventilation system	No	
Lighting	No	
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Electric power supply	In the territory TPI-1/250	200 kW
Electric power restrictions	Yes. Arrangement in water protective zones of rivers and water bodies; parts of a land plot: area 0,0522 ha in connection with location in the security area of electric networks with voltage up to 1000 V, area 0,2769 – over 1000 V, area 1,2750 in connection with location in the wayside of motor roads.	
Heating (heating networks)	Construction of own heat source	
Drinking water	0,1	0,5 cu m/h
Hot water supply	Construction of own heat source	
Wells	0,2	4 cu m
Gas supply	3,0	High-pressure gas, Diameter of pipe 100 mm
Transport connection		
	Distance from the facility (km)	Name
Main highway	5	M-1/E-30 Brest-Minsk-border of the Russian Federation

Highways of republican status	2	P-19 Tolochin-Krupki
Airport	110	Minsk
Railway	3	Krupski township, Krupki District
Accessibility	2	Gravel surface

# LOGOISKY DISTRICT

## INVESTMENT PROPOSAL 57 (LAND PLOT)

General		
Name		For construction of production facility
Total area (ha)		0,43
Location	Region	Minsk
	District	Logoisky
	Locality	In the area of Logoza village
	Address	In the area of Logoza village (land plot 1)
Owner		'Minsk Tractor Works' OJSC
Form of ownership		state
Possible use		industry
Way of the land plot provision		lease
Cost (cadastral) (per ha) as of 1 January 2018 (BYN and USD)		23 277,86 BYN 11 800 USD
Transport connection		
	Distance from the facility (km)	Name
Main highway	4,5	M-3 Minsk-Vitebsk
Highways of republican status	0,5	P-66 Kalachy-Logoisk

Accessibility	It is required to design and arrange the construction of an access road	
<b>Infrastructure</b>		
Electric power supply	Electric power supply to the facility with the power of up to 250kVA is possible from OHL-10kW No. 424 substation 110 kW «Logoisk» by means of installing Integrated transformer substation-10 kW. With the power from 250 kVA up to 1000 kW for power supply to the facility it is necessary to install the required number of additional cells of outdoor switchgear-10kW to distributing gear-10kW substation 110KW «Logoza», to carry out construction of lines 10 kW (length about 2,5 km) and transformer substation-10 kW.	
Drinking water	There is the possibility of connection to the existing water-supply networks with diameter of 100 mm, pressure in the network is 2 atm. Six artesian wells are the water supply sources in Logoza village, water-supply networks are looped. Water metering device shall be mounted at the water-pipeline inlet to the building.	
Drainage system	Water discharge and storm-water drainage networks are absent. It is proposed to design and construct local drainage system. Storm-water discharge shall be arranged by surface drainage to surface depressions.	
Gas supply	Gas supply is possible from high-pressure and medium-pressure gas pipeline.	
Regional center	41	Minsk
District center	6	Logoisk
<b>Contact details</b>		
Contact person (position)	Daskevich Ilya Velarievich, Head of the Land Use Department of Logoisk Executive Committee	
Phone	8 017 74 55 0 38	
Fax	8 017 74 55 0 38	
E-mail	zemsl1@logoysk.gov.by	

## INVESTMENT PROPOSAL 58 (LAND PLOT)

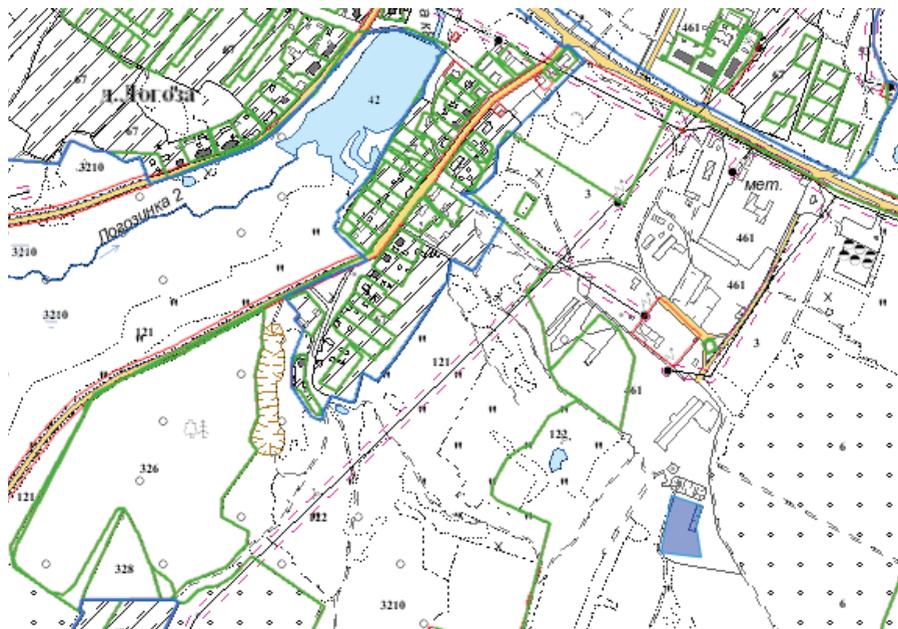

General		
Name		For construction of production facility
Total area (ha)		0,57
Location	Region	Minsk
	District	Logoisky
	Locality	In the area of Logoza village
	Address	In the area of Logoza village (land plot 2)
Owner		'Minsk Tractor Works' OJSC
Form of ownership		state
Possible use		industry
Way of the land plot provision		lease
Cost (cadastral) (per ha) as of 1 January 2018 (BYN and USD)		23 277,86 BYN 11 800 USD

Transport connection		
	Distance from the facility (km)	Name
Main highway	4,7	M-3 Minsk-Vitebsk
Highways of republican status	0,7	P-66 Kalachy-Logoisk
Accessibility	It is required to design and arrange the construction of an access road	
Infrastructure		
Electric power supply	Electric power supply to the facility with the power of up to 250kVA is possible from OHL-10kW No. 424 substation 110 kW «Logoisk» by means of installing Integrated transformer substation-10 kW. With the power from 250 kVA up to 1000 kW for power supply to the facility it is necessary to install the required number of additional cells of outdoor switchgear-10kW to distributing gear-10kW substation 110KW «Logoza», to carry out construction of lines 10 kW (length about 2,5 km) and transformer substation-10 kW	
Drinking water	There is the possibility of connection to the existing water-supply networks with diameter of 100 mm, pressure in the network is 2 atm. Six artesian wells are the water supply sources in Logoza village, water-supply networks are looped. Water metering device shall be mounted at the water-pipeline inlet to the building.	
Drainage system	Water discharge and storm-water drainage networks are absent. It is proposed to design and construct local drainage system. Storm-water discharge shall be arranged by surface drainage to surface depressions.	
Gas supply	Gas supply is possible from high-pressure and medium-pressure gas pipeline.	
Regional center	41,2	Minsk
District center	6,2	Logoisk

# SMOLEVICH I DISTRICT

## INVESTMENT PROPOSAL 109 (LAND PLOT)

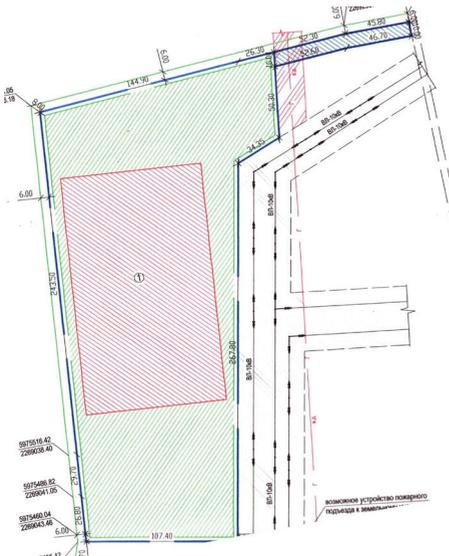

General		
Name	Land plot for construction and servicing of production and storage premises	
Total area (ha)	4,399	
Location	Region	Minsk
	District	Smolevichski
	Locality	Chernitski township
Form of ownership	state	
Possible use	industry; logistics	
Way of the land plot provision	lease	
Cost (cadastral) (per ha) as of 1 January 2019 (BYN and USD)	107930 BYN 49972,2 USD	
Transport connection		
	Distance from the facility (km)	Name
Railway	16	Station Smolevichi 141001

Main highway	3	Highway M1/E30 Brest (Kozlovichi)–Minsk–border of the Russian Federation
Highways of republican status	4,5	P-59
Airport	29	Minsk National Airport
Accessibility	Adjacent to the land plot	
<b>Infrastructure</b>		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Electric power supply	0,1	1 MW, construction of transformer substation 10/0,4 kW is required
Drinking water	0,8	Water supply system D 110 mm.
Wells	0,8	25 m <sup>3</sup> /hour
Drainage system	0,6	Sewerage network D 200 mm. Filtration beds with capacity 230 m <sup>3</sup> /day.
Gas supply	0,5	High-pressure gas pipeline P≤0,6MPa D=159
Regional center	45	Minsk
District center	14	Smolevichi
Other (including adjacent structures: industrial enterprises, raw materials base)	OJSC «Krasnoye Znamya», LLC «Belrosmoreproduct» are situated at the distance of 1 km. from the land plot.	

## Contact details

## INVESTMENT PROPOSAL 111 (LAND PLOT)

General		
Name	Land plot for accommodating production base	
Total area (ha)	1,08	
Location	Region	Minsk
	District	Smolevichski
	Locality	To the East from Volma village
Form of ownership	state	
Possible use	industry; logistics	
Way of the land plot provision	lease	
Cost (cadastral) (per ha) as of 1 January 2019 (BYN)	110 338,2 BYN 51087,23 USD	
Transport connection		
	Distance from the facility (km)	Name
Main highway	1,3	Highway M1/E30 Brest (Kozlovichi) – Minsk – border of the Russian Federation
Airport	9,3	Minsk National Airport
Railway	20	Station Smolevichi 141001
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Heating (heating networks)		Not available
Electric power supply	0	Construction of 10kW cable line, 1 km long and transformer substation is required

## INVESTMENT PROPOSAL 112 (REAL ESTATE FACILITY)

General		
Name	Nursery school building	
Area of the building premises (sq.m.), area of the 1st floor (sq.m.)	3039,0	
Location	Region	Minsk
	District	Smolevichi
	Address	8a Sadovaya St., Zarechie village
Ownership Asset holder (name)	state Department of Education, Sports and Tourism of Smolevichi Executive Committee	
Possible use	industry; trade; services; mixed	
Land plot area (sq.m.)	1,1086 lease period: 99 years	
Ways of the real estate provision	sale	
Cost of the facility as of 1 January 2020 (BYN and USD)	85 025,26 BYN (taking into account reduction by 80%) 40325 USD	
Facility specifications и Infrastructure		
Year of construction	1991	
Number of storeys	2	
Walls material	Reinforced concrete panels	
Partitions	Yes (Panels)	
Interior finishing	Yes	
Ventilation system	Yes	
Lighting	Yes	
Electric power supply	500 m	
Heating (heating networks)	From central boiler house	
Drinking water	At the facility	
Process water	At the facility	
Hot water supply	From central boiler house	
Wells	At the facility	
Drainage system	Central	
Gas supply	No

Availability of the real estate facility layout	Yes

# SOLIGORSKY DISTRICT

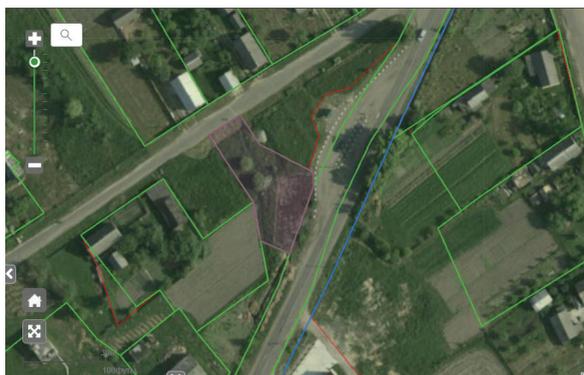

## INVESTMENT PROPOSAL 114 (LAND PLOT)

General		
Name	Land plot for construction and servicing of shopping unit	
Total area (ha)	0,0903	
Location	Region	Minsk
	District	Soligorski
	Locality	Bolshie Zavshitsy village
	Address	Area of residential house No.1, Klubny lane
Way of the land plot provision	state	
Possible use	trade	
Cost (cadastral) (per ha) (BYN and USD)	1 715,70 BYN	
Transport connection		
	Distance from the facility (km)	Name
Main highway	H9605	Mozoli village – Pruzhanka village – Veska village
Infrastructure		
	Distance from the facility (km)	Description (capacity, volume, etc.)
Process water		Not required
Hot water supply		Electric heating or from heating boiler

Drainage system	Local	Individual septic tank
Electric power supply	0,33	Power source of OHL–0,4 kW from integrated transformer substation–59 (100kVA) with power up to 5 kW; for more power output the construction of separate line from integrated transformer substation –59 and replacement of transformers is required
Heating (heating networks)	–	Independent heating source
Drinking water	0,22	576 thd. m <sup>3</sup> /day; connection from the existing line d 100 along Molodezhnaya street using cast iron valves with non-rising spindle and rubber wedge
Gas supply	0,4	Possibility of connection to the existing underground polyethylene medium-pressure gas d 63 mm in the area of the facility location
Regional center	Minsk	
District center	Soligorsk	
<b>Contact details</b>		
Contact person (position)	Naumchik I.N., Head of the Land Use Department; Varvashenya E.S., Deputy Head of Economics Department	
Phone	8 0174 220473, 8 0174 227633	
Fax	8 0174 220403, 8 0174 225554	
E-mail	zempl@soligorsk.gov.by, ekonomika@soligorsk.gov.by	

## INVESTMENT PROPOSAL 115 (LAND PLOT)

General		
Name	Land plot for accommodating multifunctional center (bank, administrative trading, services premises, pharmacies, laundry and etc.)	
Total area (ha)	0,4	
Location	Region	Minsk
	District	Soligorsky
	Locality	Kransnaya Sloboda township
	Address	Trudovaya St.
Form of ownership	state	
Possible use	services	
Contact details		
Contact person (position)	Naumchik I.N., Head of the Land Use Department; Varvashenya E.S., Deputy Head of Economics Department	
Phone	8 0174 220473, 8 0174 227633	
Fax	8 0174 220403, 8 0174 225554.	
E-mail	zempl@soligorsk.gov.by, ekonomika@soligorsk.gov.by.	

## INVESTMENT PROPOSAL 116 (LAND PLOT)

General		
Name	Land plot for construction of administrative and production facility	
Total area (ha)	0,5	
Location	Region	Minsk
	District	Soligorsky
	Locality	Soligorsk
	Address	Motor road, opposite the gas-filling station in Chizhevichi village

Form of ownership	state
Possible use	industry
Contact details	
Contact person (position)	Naumchik I.N., Head of the Land Use Department; Vavshenya E.S., Deputy Head of Economics Department
Phone	8 0174 220473, 8 0174 227633.
Fax	8 0174 220403, 8 0174 225554.
E-mail	zempl@soligorsk.gov.by, ekonomika@soligorsk.gov.by.

## INVESTMENT PROPOSAL 117 (LAND PLOT)

General		
Name	Land plot for construction and servicing of factory for processing of fruits and vegetables, berries and mushrooms	
Total area (ha)	1,3822	
Location	Region	Minsk
	District	Soligorsky
	Locality	Starobin township
	Address	Starobin township, OJSC «Starobin Peat Plant»
Form of ownership	state	
Possible use	industry	
Cost (cadastral) (per ha) (BYN and USD)	94127,82 BYN	

Encumbrance of land plot/ building	Construction of transformer substation 10/0,4kW is required. Cabinet-type regulation point installation is required. Mounting of heat chamber, isolation and drainage valves in the point of connection to the existing heat pipeline; to provide for the installation of a heat meter at the border of demarcation of the balance attribution with remote control by the personnel of OJSC «Starobin Peat Plant».	
<b>Transport connection</b>		
	Distance from the facility (km)	Name
Main highway	H-9610	
<b>Infrastructure</b>		
Electric power supply	Possibility of connection to OHL-10 kW No.523 Substation «Starobin». Construction of transformer substation 10/0,4 kW is required. Maximum power limits – 250kW.	
Heating (heating networks)	From the existing heat pipeline of OJSC «Starobin Peat Plant», with installation of heat chamber, isolation and drainage valves.	
Drinking water	Connection from the existing line 150 along Korzha St.	
Drainage system	Limit indicators of engineering loads of the existing drainage system – 19thd.m3/day. It is possible to connect to the stilling basin of sewerage pump station No.1 situated on 6a Korzha St.	
Gas supply	Connection is possible from steel high-pressure gas pipeline d 159 mm, installation of cabinet-type regulation point is required.	
Regional center	Minsk	
District center	Soligorsk	
Other (including adjacent structures: industrial enterprises, raw materials base)	OJSC «Starobin Peat Plant»
